Jersey, The Essentials

Expertise

Jersey has one of the largest number of finance industry professionals of any IFC, giving it a vast pool of expertise

Connected

Jersey has strong links and is in close proximity to the City of London and the EU, giving businesses and individuals easy access to both markets

Stability and Certainty

We're proud to have our own elected Parliament and judicial system, bringing us stability and freedom of independence

Substance

A modern business environment with more than 13,000 professionals supported by a politically stable government

Central

It has a central time zone, making it easy to do business around the globe

Choice

In over five decades, Jersey has developed a breadth of competitive products and services

Reputable

It adheres to, and is often an early adopter of, global standards set by the UK, EU, US and the Organisation for Economic Cooperation and Development (OECD)
